

Why Me?

Young person with a passion for the software development industry.

Identified the problem through own personal experience.

Eager to get a start-up off the ground that will contribute to the tech community

Solution

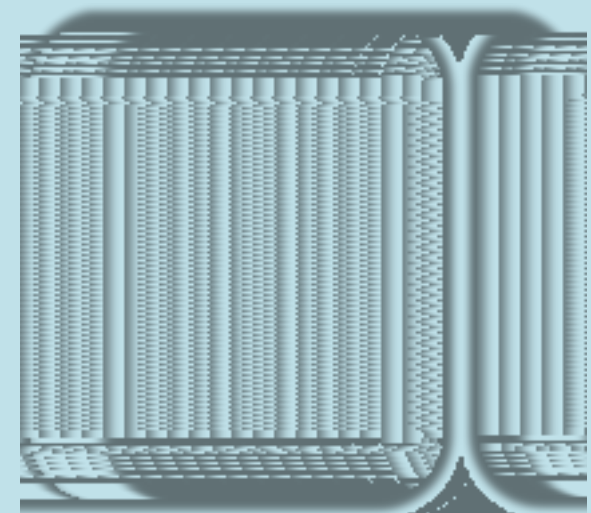

A series of meet ups aimed at newcomers in NI's software development industry that will:

Connect

Allow students to network with other passionate developers.

Code

Keep up-to-date with what skills are being demanded.

Market Validation

7,500+

Students applied for Computing Courses in NI

N.B Front-end seems to be

•

What do I need He 6)0.4p Wi

- Financial sponsoring for beers/pizza
- A 6)0.4ocation
- Brand awareness
- If Liberty IT cou 6)0.4d contribute in anyway it wou 6)0.4d b appreciated.
